RENEWAL

Your Wycom Check Security/Signing System plays a vital role in your check security, signing, and disbursement process. Your Factory-Direct Maintenance Agreement will soon expire. Enclosed please find your Renewal. We strive to minimize any lapse in your ability to secure, sign, and disburse checks, and our goal is to provide you with the best technical support in the industry.

The Wycom Maintenance Agreement includes comprehensive hardware and software coverage and direct access to our knowledgeable Technical Support staff. In addition, our Factory-Direct Technical Support Program ensures a quick and efficient response to any technical issues that may occur with our product in the future. *Your Agreement will provide you with significant savings compared to those customers without an Agreement.*

WYCOM'S MAINTENANCE Agreement provides

- **Express loaner units shipped overnight***
- **Free hardware repairs – parts and labor**
- **Free shipping on repairs/loaner units**
- **Free engineering hardware updates**
- **Free System License release updates**
- **Free unlimited technical support**
- **Priority call back**
- **Free check form changes (MICR only)**
- **Free Standard Programming Options**
- **50% off Conversion cost to new Core Processor**

Please note: *Wycom Systems, Inc. is the only authorized provider of maintenance coverage for its check signing security systems.*

To continue your coverage, please sign the enclosed Factory-Direct Maintenance Agreement. Your Agreement also serves as your invoice; one copy is for your records and the second should be returned with your payment directly to Wycom at the address below.

Please feel free to call if you have any questions. You may contact us via our toll-free number at 1-800-869-0236, Ext. 21.

Sincerely,
Wycom Systems
